# 44th

*Annual Conference of The  
Nigerian Society for  
Microbiology*

**Microbial Bio-Heritage and  
the Post-COVID Dynamics of  
Global Relevance**

**JULY 24TH -28TH, 2023**

@

**CUCRID CONFERENCE HALL,  
Covenant University Centre for  
Research, Innovation & Discovery,  
Covenant University.**

**NSM-Ota, 2023**

<https://nsm.covenantuniversity.edu.ng/>

Welcome!

to the 44th Annual Conference & Annual General Meeting of The Nigerian Society for Microbiology hosted by Covenant University. The conference is an almanac gathering that offers an all-engaging collaboration platform to leading and emerging scientists, researchers, policymakers, governments, industry and other stakeholders in the research, application and business in all microbiology disciplines in Nigeria and beyond.

\* \* \*

**Theme:**

**Microbial Bio-Heritage and the Post-COVID Dynamics of Global Relevance**

**Sub-themes:**

- *Microbes, Microbiome, Antimicrobial Resistance and Emerging One-health (Health)*
- *Climate Change Transitions and Evolution of Microorganisms (Environment)*
- *Sustainability and Microbes in Bio-economy (Industry)*
- *Post-COVID Dynamics of Agricultural Sufficiency and Food Security (Agriculture)*

\* \* \*

**Abstract/ Paper/Poster Submission**

To submit an abstract kindly proceed to Register on the conference site

To submit an abstract, author should pay the sum of ₦3000.00 (Three Thousand Naira Only) per abstract into the account of the Biotechnology Centre, Covenant University (UBA Bank, Account No: 1021414160).

Abstracts should be submitted no later than 30th June 2023.

**National Progress and Development Initiatives**

Following the theme and the drive towards a Microbial Culture Collection Facility for Nigeria, the conference welcomes research outcomes, reports, concept notes and position papers from individuals and groups as might be covered in line with the conference theme and sub-themes under the following areas:

- *Microbes, food safety and security*
- *Microbes, bio-products, and a healthy environment*
- *Immunology, infectious and non-communicable diseases*
- *Biophysical mechanisms of viral transmission*
- *Biophysics of COVID-19 therapeutics*
- *Aerosol Physics and transmission dynamics*
- *Aquaculture and marine biology*
- *Nano-biology and bio-engineering*
- *Bio-energy, green chemistry, environmental biology and sustainable development*
- *Immunology and infectious disease*
- *Agricultural sciences, Food and nutrition*
- *Antimicrobial stewardship*
- *Emerging and re-emerging infectious diseases*
- *Biophysical characteristics of Vaccines*
- *Computational modelling of viral spread*
- *Microbiology education in an evolving economy*
- *Antimicrobial resistance, One health and the environment*
- *The human microbiome, the immune system and non-communicable diseases*
- *Crop genetics, breeding and genomics*
- *Animal genetics, breeding and genomics*
- *Omics, Bioinformatics and Microbial data*
- *Climate change transition and sustainable environment*
- *Water Quality Evaluation and Monitoring*
- *Air Quality, Air pollution impact, SDGs and the Environment*
- *Policy Advocacy, Enlightenment and Public engagement with stakeholders / Policymakers*
- *Microbiology Education and Curriculum Development*
- *Molecular Diagnostics and DNA Forensics*
- *Microbiome and Microbial Biotechnology*

**REGISTER and submit payment evidence at the Conference Site**  
<https://nsm.covenantuniversity.edu.ng>

Conference Registration	Conference Fee	Annual Due	Total
Undergraduates students with ID cards	N8,000	N1,000	N9,000
Postgraduates students with ID cards	N13,500	N6,000	N19,500
Members	N25,000	N6,000	N31,000
New Members	N25,000	N12,000	N37,000
Non-members	N30,000	-	N30,000
Fellow	N25,000	-	N25,000
Government Agency	N100,000	-	N100,000
